Reaching Up, Reaching Out, Reaching In

Exalting the Savior by evangelizing the lost and equipping the saints

## Out of My Mind

Thank the Lord 2020 is over! In my life time, there has not been a year which produced greater challenges. Perhaps this is because the virus impacted every aspect of our lives. There has been no place (mentally or physically) we could go where we were free from even the thought of what was happening.

The truth is that each year comes with its own issues, problems, and challenges. However, before we can embrace the opportunities which present themselves, we have to move beyond the past. Paul encourages believers to *"forget those things which are behind"* so they can *"reach forward to those things which are ahead"* (Phil. 3:13). The Greek word "forget" used in this verse means to put something out of one's mind. To forget does not mean that something is forever gone from our memory banks. Rather, it indicates that we choose to not allow the thoughts, feelings, and experiences of a former day to negatively impact how we live today.

I do not think the events of the past year will be forgotten any time soon. They may even serve to help us appreciate some things that we formerly took for granted. Things like sharing a meal with friends, going to a ball game and yelling for our team, singing at the top of our voice in church, and hugging those we love. If we can use what we experienced in 2020 to help us live richer, deeper, faith-filled lives in 2021, then all the anxiety and adversity associated with the virus will not have been in vain. Thank God for a new year, with new opportunities, and new life. My prayer for each of you is this will be a year of success, celebration, and hopefulness.

Blessings in Christ.

Pastor Larry

## Sunday Schedule

Due to the cooler weather, we will no longer be able to have the 9:30am Drive-in Service. There will be **one service at 10:00am in the sanctuary**. The church has purchased a transmitter so that if you prefer not to come inside you can tune your car radio to FM87.9 and be able to hear the service taking place while sitting in the parking lot. If you plan to remain in your car, you can park on the 220 side or the John Redd side for best reception. If you plan to come inside, you will want to continue to enter the parking lot through the John Redd Boulevard entrance. Only the triple doors to the sanctuary on the John Redd side will be open for you to enter and leave.

Just as a general reminder, you are encouraged to wear your mask when entering and exiting the sanctuary.

### A Note from Grace Network

This year has been very challenging on many levels and we have struggled with finding the best ways to connect to our clients that have food needs. However, we have done an amazing job of providing this service and a big thank you to you, as you continue to support our pantry and to our volunteers that have continued to be that beacon of hope for those that are hungry. Our food pantry will become more important than ever as we move forward and your participation is most needed. Thank you all for your continued support and may you have a safe and Merry Christmas! *Blessings, Tracy*

Thank you for loving back on him. *Appreciatively, The family of Melvin Newsome*

FBCC Bereavement Meal Team,

Dear Friends,  
Thank You so much for your many acts of kindness to my mom (Essie Janey) and my brother over the last months of her life. This church and pastor and deacons have been the true spirits of God's Love.! *Love in Christ, Nancy Cloeter*

### Operation Christmas Child Shoeboxes Update

**For Martinsville, Henry County and Franklin County there were 9936 shoeboxes, 1200 special access shoeboxes and 209 shoeboxes built online for a total of 11,345 for our area. We think there will be more online boxes, but this is what has been recorded so far.**

This means that with the influence of families of recipients that about 66,000 people will hear the Gospel, 4538 children will be enrolled in the Greatest Journey classes and 2382 will make decisions to follow Christ. Isn't that wonderful to think our area will affect that many people—a simple shoebox with the Gospel message.

A special thank you to each person who packed boxes and prayed over the boxes. A special thank you to the churches that were drop off centers for the boxes—Chatham Heights Baptist, Stone Memorial, Crosspoint, Halesford, Franklin Heights, Boones Mill and Faith Assembly of God.

Just wanted our people to know they are missionaries—big time through the shoeboxes. *Thanks bunches, Betsy*

### Thanks Everyone

*Our first Drive-Thru Nativity went very well thanks to all of you and your contributions. Every volunteer who signed up helped with painting, building, putting scenery together, working with traffic, signing people in, costuming, serving hot chocolate, and standing in the scenes. For those who couldn't help in person, you prayed and gave encouragement, and we couldn't have done it without all of you. We had 495 vehicles to drive through - most of them with at least three passengers - that means over 1,000 people from the community experienced the Gospel story. Moving forward, we should continue our prayers for the seeds that were sown. This was not our traditional way of celebrating Christmas, but it was definitely serving our community and a beautiful way to celebrate what Jesus would do. God bless you for all that you did.*
